## Child Study Center's 2008 Lois Bloom Lecture

P R E S E N T E D   B Y

# Dr. Daniel S. Pine

*Chief, Section on Development and Affective Neuroscience  
Chief of Child and Adolescent Research in the Mood and Anxiety Disorders Program  
National Institute of Mental Health, Division of Intramural Research Programs*

## “Pediatric Anxiety: Current and Future Approaches to Therapeutics”

**THURSDAY, SEPTEMBER 18, 2008**

**4:15–5:45 P.M. • THE NITTANY LION INN, ASSEMBLY ROOM**

*Reception to follow. The Nittany Lion Inn, Faculty Staff Club.*

### Continuing Education Credit

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Penn State College of Medicine designates this educational activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Penn State has approved this program for 0.2 Continuing Education Units (CEUs).

### Objectives

Upon completion, participants should be able to:

- 1) Discuss the features of pediatric anxiety that are relevant to treatment
- 2) Describe current therapeutic approaches to pediatric anxiety, and their effectiveness
- 3) Explore possible future treatment directions

Dr. Pine's lecture is made possible by the Child Study Center Lectureship, an endowment established by Dr. Lois Masket Bloom, '56 Arts and Letters and a Distinguished Alumna of Penn State.
