

# “Leveraging Systems to Improve and Expand Child Sexual Abuse Prevention”

*The focus of the 2022 symposium will involve leveraging large public systems—such as the Child Protective Services system or the school system—to extend child sexual abuse prevention efforts and reach both universal and high risk audiences. Speakers will illustrate how various systems have been useful launching points for prevention efforts and discuss the implementation challenges and next steps for moving forward.*

**Friday, January 14, 2022**  
**8:30 a.m.–noon**  
**Foster Auditorium**  
**Paterno Library**  
**University Park, PA 16802**  
**or via webinar**
